

PRESERVE OUR PAST

ART & ESSAY INVITATIONAL

2027

The 36th annual *Preserve Our Past Art & Essay Invitational* celebrates National Historic Preservation Month. The contest teaches students about local and state history and fosters an interest in preserving historic places. For 2027, winning entries will be exhibited at the Historic Arkansas Museum. **The contest is open to all Arkansas 5th, 6th, 7th and 8th grade students.** Submissions must relate to a historic Arkansas property that is 50 years old or older.

General Guidelines

- The contest has two age categories: 5th/6th grade and 7th/8th grade.
- Students may enter the essay or art contests individually, or they may enter both contests for their age category.
- Students who are homeschooled or in any alternative educational arrangement are welcome to enter, so long as they fit into one of the grade categories.
- All students must be Arkansas residents.
- All hard-copy work must be postmarked by April 1, 2027, to be considered.
- All essays submitted electronically must be emailed by 11:59 p.m. on April 1, 2027, to be considered.
- An entry form must be included with each student submission (30 submissions = 30 entry forms).

Essay Contest

Essays should be original, and no longer than 500 words. Each essay should focus on a historic site somewhere in Arkansas that is 50 years old or older. Essays do not have to be a typical five-paragraph enumeration or straight history of a property. Creativity and imagination are encouraged. However, the contest does not accept pieces that are pure fiction or refer to a fictional property. If students are using sources in their work, it is customary to include a bibliography listing them. Yes, spelling and grammar do count. Students may submit essays via hard copy or email.

Art Contest

Art pieces should be original. They must also focus on a historic site somewhere in Arkansas that is 50 years old or older. Art has slightly stricter guidelines:

- Pieces should be **11 X 14 inches** in size, **no larger or smaller!**
- Pieces should be on paper, *no stretched canvas*.
- Pieces can be done in pencil, ink, charcoal, acrylic paint, pastels, or any other medium that works on paper.
- No oil paints, please.
- Collage or other approaches are permitted, so long as all the parts of the piece are created by the student.
- It must be possible to frame all pieces in a standard 11 X 14 frame.
- Art pieces CANNOT be entered online.
