1. Relate reactions to the program by key participants, (i.e.-students, teachers, parents, administrators, etc.)

2. What are your comments about the program?

3. Did you have ample space and time to do your own work, if this was part of the residency? Did you have adequate storage space for materials? If no, suggest improvements.

Arkansas Arts Council AIE Artist/Consultant Report (continued)

Grantee Name: _____

4. Did the teacher/school staff/parent stay in the activity location during your program? Describe any assistance they provided during this time.

5. Describe the overall quality of preparation and scheduling done by the sponsor organization and site (specify each site).

6. Was the program a success? Explain why or why not.

7. List any improvements the Arkansas Arts Council could make in preparing the sponsor organizations, the sites or the artist/consultants for future programs.

8. List any other suggestions or comments.
