## Profile

Licensed master teacher with experience teaching grades K-12 in public, private, virtual, and non-traditional settings. As an advocate of exploratory learning and community involvement, I seek a position where I may grow engagement through experimentation, innovation, and self-discovery while also allowing my professional growth as a leader.

## Leadership Experience

### Girl Scouts - Diamonds of Arkansas, Oklahoma and Texas STEAM Center Manager

2021-pres

- Design, run and deliver STEAM programming to serve girls grades K-12 throughout the state of Arkansas, Eastern Oklahoma, and Northeast Texas.
- Build processes and programs from the ground up including an internship program, robotics teams development, mail-out patch programs, and resource inventory and check-out system.
- Manage budgets for programs and equipment.
- Create job descriptions, hire and manage interns and part-time staff. Manage volunteers and troop leaders during programs. Cultivate new and adhere to existing grant-funded and community partnerships to develop ongoing programming opportunities.
- Strategize and implement processes for girl and volunteer growth holistically within the organization.
- Management of the STEAM Center social media accounts.

## Teaching Experience

### The New School Art/STEAM Teacher

2020-2021

Instruct students in Art and STEAM content, including digital art, 3D modeling, and design thinking, both in-person and virtually. Build a curriculum from the ground up. Participate in weekly team meetings to collaborate and discuss student progress. Maintain displays of student work to promote enrollment. Advisor of 5th-grade students. Deliver tours of the Tinkering and STEAM labs.

## Arkansas Connections Academy

### Art & Design Teacher

2016-2020

100% e-Learning. Engage students in visual art curriculum for K-8, Art History, Graphic Design, and Photography through live streaming, video recordings, and various assessment strategies. Evaluate assessments and provide feedback to increase engagement. Interpret data to build personal relationships and improve student achievement. Additional duties include coordinating field trips, student art exhibitions, the virtual art gallery, and talent show. Design inaugural graduation printed program and virtual slideshow. Sponsor of National Junior Honor Society. Co-founding member/administrator of a corporate-wide STEAM teacher learning community.

## Episcopal Collegiate School

### Middle/Upper School Art Teacher

2013-2016

Responsibilities included the creation and support of the visual arts curriculum. All faculty were encouraged to collaborate across disciplines for cross-curricular studies. Lessons were designed to engage students in the visual arts discipline to promote 21st-century skills. Additional duties included participation in a student advisory program, weekly art club sponsor, and athletic coaching.

## Hobbies/Special Interests

- Creating art and general craftiness
- Interior designing our AirBnB property
- Being a handywoman because my husband is terrible at it
- Coaching my girls in gymnastics and following the AR Gymnastics
- Go on walks with our labradoodle in hopes she might get somewhat tired
